

Travel home safely after a night out

Plan how you will get home before you start. Use **public transport** so you don't drink and drive.

- Get **step-by-step transit directions** (with maps) www.transperth.wa.gov.au or www.google.com/intl/en/landing/transit/#mdy for your web browser or on your mobile phone.
- Catch the **free Blue CAT** around town, until 1.00am on Friday and Saturday nights.
- Transperth will drop passengers off after dark, anywhere it is safe along the bus route.
- Know when the **last bus or train** goes and be there before it leaves without you.
- **Transperth train services** run every 30 minutes until midnight. Currently, trains depart at 1.00am, 2.15am and 4.00am on Friday and Saturday night.
- See Northbridge Piazza screen for train times.
- Check service times for public holidays or special events as they may change.

Transperth InfoLine: 136 213

(Mon–Thurs until 12.30am;

Fri & Sat until 2am; Sun until 12am)

Transperth SMS Service: **136 213** – text bus stop number to receive time of next services:

Access timetables & Transperth news via your WAP enabled mobile: **www.136213.MOBI**

Take a Taxi

- Book a taxi to pick you up from a city venue - except on Friday or Saturday nights in Northbridge.
- Use the **Supervised Taxi ranks** in Milligan or William Streets, Northbridge late on Friday and Saturday nights.
- If you need transport home from the local train station, book a taxi to meet you at your final destination. Do this as you approach your station.

Black & White Taxis: **131 008**

Swan Taxis: **131 330**

HOW ARE YOU TRAVELLING?

Your guide to night transport and having a safe night out in the City of Perth

Safety tips

- Don't get loaded before you arrive. Drinking in the street or in parks is illegal. **Drunk patrons** aren't allowed into pubs and clubs.
- **Carry a mobile phone, money and ID.** Acceptable ID is a current Australian drivers licence or passport with photo, or a WA Proof of Age card.
- **Emergency poles** are located across the city and include CCTV, lighting and direct push button audio communication to the City of Perth Surveillance Centre.
- Select a **well lit route** and areas with CCTV. Don't walk alone in dark quiet areas.
- **CCTV cameras** are installed in the central city, Northbridge, and all train stations. For your safety they are monitored 24 hours a day.
- **Look after your mates** and travel with a friend or person you trust.
- Arrange a meeting or pick up place and time.
- If you leave by yourself, **tell someone** where you're going and how you'll get there.
- **Check yourself.** If you are too drunk or aggressive you may not be able to take a bus, train or taxi.
