

## CP 4.4 | Mobile Food Trading Policy

### Objective

To enable quality mobile food traders to provide members of the public with a food service that enhances the vibrancy of the city without adversely affecting other businesses.

### Scope

This policy applies to applications for Public Trading permits by mobile food vendors to operate on land under the management of the City.

For the purpose of this policy, a mobile food vendor is a trader selling food to members of the public, from a self-contained vehicle that has been registered under the *Food Act 2008*. The policy does not apply to food vendors operating at a City approved event.

### Policy statement

1. The Council of the City of Perth supports mobile food vendors that enhance the ambience of an area, while not adversely impacting on nearby businesses, public safety, pedestrian access, or the amenity of a public space.
2. The Chief Executive Officer will establish guidelines to ensure mobile food vendors:
  - a. are suitably located to provide a valued service to members of the public;
  - b. do not operate within a minimum of 100 metres from an open bricks and mortar food business;
  - c. operate in a safe and accessible location;
  - d. are limited as not to create an oversupply of vendors to one location.
